

Care Plus Solutions can customize its Employee Assistance Programs to fit the needs of almost any client. The following tiered EAP program outline serves as a guide to the range of services and pricing available for each tier. The one constant throughout every tier is our steadfast commitment to our clients. We strive to develop collaborative partnerships with our clients to understand their unique corporate cultures and policies and assist them when faced with employee challenges that impact the workplace. In doing so, we become an integral resource not only for employees but for Human Resources, Managers and Supervisors as well. Call for pricing and information.
